

Admission Policy of St. Patrick's Secondary School

School Address: Castleisland, Co. Kerry

Roll number: 61250R

1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the Manager of the school has consulted with school staff and with parents of children attending the school.

The policy was approved by the school Management of the 30/04/2020. It is to be published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for St. Patrick's Secondary School admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

The aim of the school is to provide a holistic education for all its students so as to help each student reach his full potential in academic, emotional, social, cultural and sporting terms. While our first concern is to prepare our students thoroughly for all state examinations we also aim to instil personal life skills which help to develop self-confident and mature individuals.

The school promotes and ensures strong links between home and school through structured and timetabled parent teacher meetings and individual appointments. This arises from the overall belief that balanced collaboration between home and school is essential and is most effective in instilling a code of self-discipline in the student. As a result of this students would be better enabled to take responsibility for their own positive behaviour.

The school's most fervent aspiration is to promote positive behaviour. We encourage our students to take pride in themselves, while at the same time respecting the rights of others. We help and encourage them to develop their talents so they can confidently face the challenges and demands of the modern society of today with hope and confidence. Hence our school motto – Mórtas is Dóchas - Pride and hope.
